

One Three Capital is Officially Licensed by the Hellenic Capital Market Commission!

We are thrilled to announce that our **crowdfunding platform** is now **officially licensed** by the **Hellenic Capital Market Commission**, marking a significant milestone in our journey to support **Real Estate projects, Small and Medium Enterprises (SMEs), and Startups** in Greece.

With this prestigious authorization, we are legally empowered to connect **investors** with **entrepreneurs** in a secure, regulated environment, offering unmatched opportunities for both funding and growth.

Why Choose Our Platform?

- **Licensed & Regulated:** We have met all the stringent requirements of the Hellenic Capital Market Commission, ensuring that One Three Capital operates with the highest standards of security, transparency, and compliance.
- **Tailored for Key Sectors:** Our platform specializes in **Real Estate, SMEs, and Startups**, focusing on industries with enormous growth potential and the power to drive economic development.
- **A Unique Investment Opportunity:** Investors can now access an exclusive range of investment opportunities across various sectors, with clear and regulated guidelines.
- **Empowering the Local Economy:** We help businesses grow by providing access to the capital they need to expand or launch their ideas, while fostering a vibrant ecosystem of support and collaboration.

What Does This Mean for You?

- **For Investors:** Our platform provides access to secure, regulated, and high-potential projects that align with your investment goals. You can now invest with confidence in **Real Estate developments, innovative SMEs, and promising startups**.
- **For Entrepreneurs:** Whether you're in real estate, managing an SME, or a startup visionary, our platform offers the financial backing you need to take your business to the next level—secure in the knowledge that your crowdfunding campaign is fully regulated and compliant.
- **A Game-Changer for the Greek Market:** Our platform is committed to supporting Greece's growth by facilitating new investment and business opportunities across multiple sectors.

Our platform is launching soon, join us today and become a part of the growth story that is shaping Greece's real estate, SMEs and Startups!
